

John Deere Retiree Group – Cary NC area

Being hosted by the
JD office in Cary, NC

See this information for the John Deere Retiree Group (JDRG) of the Raleigh, NC area.

All are welcome..... registration is required for security.

On **Friday, Dec 12th from 9-10:30am** Jon Chase has invited John Deere retirees to the Cary office for a brief business update. Many of you may have received an invite from Partiful, a free app that the Cary area John Deere Retiree Group (JDRG) is utilizing for events, e.g. breakfasts, biking, annual picnic, dinner etc. It works best if you download the app.

Please visit the app for additional details & photos from last year. Replying at the link below asap will help us share names (spouses names needed as well) with security so you can get in! Coffee and light refreshments will be available. We hope you can attend and see some old/older faces. Thanks to those who have RSVP'd (33 attendees so far!)

Any questions or issues, please let us know.

Happy holiday season, safe travels and life journeys,

Sandy Harwood

on behalf of JDRG
