

Obituary
Cindy Leeper

Just received the following from Sandy Sites this morning.... (28 June 2025)

Hi Jim,

We received this death notice for Cindy Leeper. She worked for JD as Paul Rola's secretary if my memory serves me right.

When they post a complete obituary, I'll forward to you.

Thanks Jim!

Sandy

I'll update this as I receive more information from Sandy.... Or from anyone else who might have more detail..... Send to JimLee@kc.rr.com
