Subject: Phil Coon, Manager Aftermarket National Accounts

After 33 years of dedicated service to John Deere, its dealers, and the customers they serve, Phil Coon has chosen to retire. Phil's last day in the office will be October 28th.

Phil's connection to John Deere began in his hometown of Muncie, Indiana, where he worked part-time during school and full-time when school was out at the local John Deere dealership. His enthusiasm for the brand and commitment to its customers only grew stronger over time. In 1992, Phil took the next step in his career by accepting a marketing representative position with John Deere. From there, he held multiple territory roles in both complete goods and aftermarket, quickly distinguishing himself as a talented leader.

After leaving the field Phil's career spanned multiple locations. It started in Lenexa, Kansas, as an Aftermarket Sales Manager. He subsequently moved to the Quad Cities to serve as Product Line Marketing Manager within the Parts & Service Marketing Group. His journey continued in Atlanta, Georgia, where he held positions as Branch Parts, Service Sales and Customer Support Manager. Later, in Cary, North Carolina, Phil led the Sales Support Team as Manager of Sales Support. While in Cary, he also served as Manager of Total Quality and Planning within the MSQS Leadership Team. In 2014, he became the Manager of the Marketing Order Code Information Project (MOCI). Phil later transitioned to the role of Global Pricing and Incentives Manager, and in 2020, he accepted his current position as the Manager of Aftermarket National Accounts.

Phil graduated from Ball State University in Muncie, Indiana, with a Bachelor of Science degree in Marketing. He went on to earn a Master of Business Administration degree in Agribusiness from Purdue University in Lafayette, Indiana.

In retirement, Phil looks forward to mastering his golf game. An avid outdoorsman, he plans to spend more time enjoying the wildlife in Tennessee and North Carolina. Phil also intends to remain active in his local church and continue investing in his community. Most importantly, he is excited to spend more time with his wife, Tammie, and son, Jacob.

Please join me in expressing our sincere appreciation and best wishes to Phil as he embarks on his well-deserved retirement.
